m-Fin PROJECT ACTUALS DETAIL [1]

January 30, 2015 by Carl Sorenson [2]

m-Fin PROJECT ACTUALS DETAIL lists all expenditure and transfer transactions for a project or an award code. It has an optional journal date prompt that you can use to specify a date range. This is different from m-Fin FINANCIAL DETAIL which instead uses fiscal year and accounting period.

m-Fin PROJECT ACTUALS DETAIL is available for testing in Cognos QA. **[26 May 2015 migrated to production.]**
