

## **m-Fin PROJECT FINANCIAL STATUS** <sup>[1]</sup>

March 30, 2018 by [Sarju Khadka](#) <sup>[2]</sup>

The m-Fin PROJECT FINANCIAL STATUS was reporting inflated dollar amounts when scheduled to run on financial close. The report, however, was producing correct dollar amounts when ran manually.

The fixed version of this report has been tested and migrated to production. This report is in the *Project Reports* subfolder.

Many thanks to Lauren Miremont from Boulder campus for bringing this problem to our attention.
