m-Fin Project One-liner [1]

February 22, 2021 by Sarju Khadka [2]

We have made enhancements to the m-Fin PROJECT ONE-LINER report.

- If you are a PI, the report now recognizes that and auto-populates the PROJ PRINCIPAL NAME prompt. Simply click on your name in the choice box to select it then click the 'FINISH' button to render the report.
- The current period column on the report is now drillable. Click on one of the values to see the m-Fin FINANCIAL DETAIL II report.

This enhanced version of the report is now available for testing in CU-Data QA [3]. If no issues are found, the report will be migrated to production in a couple of days.
