m-Fin PROJECT ONE-LINER [1]

May 28, 2021 by Sarju Khadka [2]

We recently migrated the enhanced version of the m-Fin PROJECT ONE-LINER report to production. This version of the report has the following updates:

- The PERIOD ACTUALS column is now drillable. Click on the blue hyperlinked number to drill down to the m-Fin FINANCIAL DETAIL II report.
- The PROJECT PRINCIPAL NAME prompt will now auto-populate if you are a PI. This feature was previously available but broke a few years ago due to an upgrade to our authentication system. It has been fixed.
