

m-Fin PROJECTS DIRECT AND INDIRECT COST report gets FUND 33 ^[1]

January 16, 2019 by [Sarju Khadka](#) ^[2]

We have added Fund 33, Other Contractual Services, as an option to the FUND prompt on the m-Fin PROJECTS DIRECT AND INDIRECT COST report. You can now run this report for either just Fund 33 or in combination with other Funds available on the FUND prompt.

This enhancement is available to you in [CU-Data QA](#) ^[3]. If no problems are found, it will migrate to CU-Data production in a couple days.
