

## m-Fin Reports Migrated To Production <sup>[1]</sup>

February 8, 2013 by [Carl Sorenson](#) <sup>[2]</sup>

Seven m-Fin reports have migrated to CU's production Cognos environment. These are the first m-Fin reports to reach production.

If you are accustomed to finding production Cognos from the my.cu.edu portal you may enter there. The m-Fin reports reside in the same folder as the other OUC Cognos financial reports: [Public Folders > CU Reporting > Finance](#)

You may also try this direct link (it could be that security settings on your pc will prevent this link from working but there is no harm in trying it): [view folder contents Finance](#) <sup>[3]</sup>

If you don't see the m-Fin reports there you may need to click the Cognos Next Page button.
