m-Fin Reports Refreshed In QA [1]

January 27, 2011 by Carl Sorenson [2]

New versions of most of the m-Fin reports have been migrated into Cognos QA.

- New CU Logo
- UCDHSC Fund 34 now gets available balance method 3 instead of method 8 (ie. encumbs will be honored).
- for **m-Fin REVENUE AND EXPENDITURE SUMMARY** and the Rev Exp Summary in the **m-Fin OPERATING SUMMARY:**
    - Account Range is user specified.
    - Second prompt pages with EXTRAS prompt for requesting EXPENSE PURPOSE CODE and additional columns with percent calculations.
- new report **m-Fin SPEEDTYPE SUMMARY**

This version of the reports will move to production if they pass OUC testing.
