m-Fin REVENUE AND EXPENDITURE ACTUALS BY MONTH – TOTAL [1]

November 8, 2017 by Sarju Khadka [2]

We have added ACCOUNT SUMMARY AND SUBTOTALING and PAGE SUBGROUP prompts to the m-Fin REVENUE AND EXPENDITURE ACTUALS BY MONTH – TOTAL report. They are on the second page of prompting, available via the Next button. Both of these prompts already exist in other m-fin reports.

The ACCOUNT SUMMARY AND SUBTOTALING [3] prompt enables users to select the level of detail and subtotals they prefer to see in the report.

The PAGE SUBGROUP prompt allows users to page the report by PROGRAM or PROJECT in addition to paging by FUND.

This is available to you now in the CU-Data QA system. If no problems are found it will migrate to production in a few days. **[15-Nov-2017 migrated to production]**
