m-Fin REVENUE AND EXPENDITURE TOTAL for single fund [1]

August 10, 2017 by Carl Sorenson [2]

We have made an improvement to m-Fin REVENUE AND EXPENDITURE TOTAL. When it is redundant, we now suppress the page that sums all funds together. It is redundant when there is only one fund in the data, and you are not running with a PAGE SUBGROUP.

This new version of the report is available now in CU-DATA QA. It will migrate to production this weekend unless problems are found. **[migrated]**
