

## **Multi-pick Fund in m-Fin PROJECT ONE-LINER** <sup>[1]</sup>

March 3, 2016 by [Carl Sorenson](#) <sup>[2]</sup>

The single fund text box prompt in m-Fin PROJECT ONE-LINER is being replaced with a multi-pick list prompt. You'll find it on the second page of prompts, available via the *next* button. This is ready for you to test now in Cognos QA. **[29-Mar-2016 migrated to production.]**

Now that cost-share is on a separate fund, you can control whether cost-share is included using this prompt, or report only the cost-share if you wish.
