

New m-Fin REVENUE AND EXPENDITURE SUMMARY ^[1]

March 15, 2012 by [Carl Sorenson](#) ^[2]

A new version of m-Fin REVENUE AND EXPENDITURE SUMMARY is available for you to test now in [Cognos QA](#) ^[3]. Its new features are:

- **View in CSV Format** ^[4]. Now works.
- **SUBTOTAL BEFORE F AND A.** Appears if the speedtype has facilities-and-administration expense (same as m-Fin EXPENDITURE TYPE SUMMARY and m-Fin BAE BY MONTH – SUMMARY).
- **Page suppression.** Don't want a page for a speedtype unless something has been booked on it? Now you can control this – on the optional second page of prompting available via the *Next* button.
- **GIFT EXPENSE PURPOSE 2.** Appears for fund 34 (same as m-Fin OPERATING SUMMARY).

Try it. [Post your feedback here.](#)
