

New RE Summary ^[1]

July 28, 2015 by [Carl Sorenson](#) ^[2]

We've made the following enhancements to m-Fin REVENUE AND EXPENDITURE SUMMARY:

- more EXTRAS options. Don't like to encumber Facilities and Administration expenditures on projects? Now you can make it so.
- project document number in header. This appears for those letter of credit projects that have a document number.
- slightly larger font size.

Give the new version a try in Cognos QA and leave feedback here on this blog post.
