Work with clinical trials? Like [m-Fin PAYMENTS RECEIVED](#) <sup>[3]</sup> but want just a single summary line for each project in an org? Try the new **m-Fin PAYMENTS RECEIVED ORG OVERVIEW** available now in [Cognos QA](#) <sup>[4]</sup>. It's not for everybody. It's just for those of you responsible for all clinical trials within an org, when you want something more concise than a detail listing of each payment received. This report's DOLLAR AMT is the total of all payments received during your selected time period.
