Program And Project Added To SPEEDTYPE FISCAL STAFF [1]

May 28, 2013 by Carl Sorenson [2]

PGM CODE and PROJ ID have been added to the **m-Fin FISCAL ROLES** SPEEDTYPE FISCAL STAFF report. This enhancement was suggested by Jason Feickert from Boulder campus Laboratory for Atmospheric and Space Physics [3], to help when working with large org or orgnode runs in MSExcel output formats. Cognos QA testing is underway. **[18-Jun-2013: This is in production now.]**
