Project Principal ID added to a couple of m-Fin reports [1]

September 6, 2022 by Sarju Khadka [2]

We have added Project Principal ID to the following m-Fin reports:

- m-Fin SPEEDTYPE ONE-LINER – Principal ID column added as an optional field. You can turn the column on or off using the EXTRAS prompt available on the second prompt page of the report.
- m-Fin ICR SPLIT – Principal ID column added as a default field to the report.

Both reports have now migrated to production.
