Project Reports get Fund 33 [1]

March 22, 2019 by Sarju Khadka [2]

We have added Fund 33, Other Contractual Services, as an option to the FUND prompt on the following four m-Fin project related reports. All the rest of the m-Fin reports already are configured to run for fund 33.

- m-Fin OLT
- m-Fin ROL
- m-Fin PROJECT FINANCIAL STATUS
- m-Fin PROJECT SPENDING TRENDS

This is available in CU-Data QA [3] and will migrate to production over the weekend.
[these are in production now]
