

## **Reurbished Balance Sheet Reports** <sup>[1]</sup>

February 18, 2015 by [Carl Sorenson](#) <sup>[2]</sup>

We've improved the m-Fin balance sheet reports, refining the prompting and improving the internal workings of the reports. We believe this will fix the XQE-CM-0004 problem, an intermittent abend <sup>[3]</sup> that was happening on drills.

The reports are available for testing in Cognos QA: **[02-mar-2015 migrated to production]**
