UNP Designation Code and Description [1]

March 21, 2019 by Sarju Khadka [2]

All three reports below get UNP designation code and description as an optional EXTRAS choice.

- m-Fin OPERATING SUMMARY
- m-Fin TRIAL BALANCE SUMMARY
- LookUps > m-Fin SPEEDTYPE LIST

Unrestricted Net Position is one component of the University of Colorado's financial statements, which represents the net position held by collective units of the university. The University designates unrestricted net position by their intended purpose and is assigned UNP codes and descriptions.

Both m-Fin OPERATING SUMMARY and m-Fin TRIAL BALANCE SUMMARY will show UNP designation code and description on the header section of the report. m-Fin SPEEDTYPE LIST report will display the code and description as an optional column in the report.

This enhancement is available to you in CU-Data QA [3]. If no problems are found, it will migrate to CU-Data production in a couple days.**[these are in production now]**
