

Welcome to Cognos 11.1 R5 ^[1]

February 27, 2020 by [Sarju Khadka](#) ^[2]

CU is now running Cognos 11.1 R5 in production. My thanks to UIS/IRM's Lisa Damboise and her team for doing so much to ensure a smooth production upgrade. Thanks to OUC's Finance team for testing and troubleshooting.

As mentioned in my earlier post, you will notice there are no major differences in functionality or appearance between Cognos 11.1 R2 and Cognos 11.1 R5. You should still be able to continue using m-Fin reports the same way you did in Cognos 11.1 R2. If you find something is not working as it should, please contact FinProHelp via chat, e-mail, or phone.
