

## **Welcome to Cognos 11.1.7** <sup>[1]</sup>

October 27, 2020 by [Sarju Khadka](#) <sup>[2]</sup>

CU is now running Cognos 11.1.7 in production. Many thanks to UIS/IRM's Lisa Damboise and her team for doing so much to ensure a smooth production upgrade. Also, thank you to OUC's Finance team for testing and troubleshooting.

While you will notice some minor cosmetic differences between Cognos 11.1.5 and Cognos 11.1.7 ([see earlier post](#) <sup>[3]</sup>), there should be no change to how your m-Fin reports look and function. If you find something is not working as it should, please contact [FinProHelp](#) <sup>[4]</sup>.
