Welcome to Cognos 11.1.7 [1]

October 27, 2020 by Sarju Khadka [2]

CU is now running Cognos 11.1.7 in production. Many thanks to UIS/IRM's Lisa Damboise and her team for doing so much to ensure a smooth production upgrade. Also, thank you to OUC's Finance team for testing and troubleshooting.

While you will notice some minor cosmetic differences between Cognos 11.1.5 and Cognos 11.1.7 (<u>see earlier post</u> [3]), there should be no change to how your m-Fin reports look and function. If you find something is not working as it should, please contact <u>FinProHelp</u> [4].
