ODDcast Episode One: We Are ODD [1]

July 12, 2021 by Bradon Lewis | Office of Digital Education [2]

Welcome to the first episode of the ODDcast, a production of CU Online. This first episode is an introduction to what makes us ODD. As the Online Learning Design and Program Development team (AKA ODD) this episode highlights our passion, values, and experience in instructional design for higher education.
