New state digital accessibility law takes effect July 1 [1]

May 24, 2024 by worsham@cu.edu [2]

In 2021, the state of Colorado passed HB21-1110, which requires the university to meet new digital accessibility standards for all information technology – both external and internal facing – by no later than July 1, 2024.

Corresponding APS 6011 - Digital Accessibility [3] posted for public comment, which is due June 7.

For addtional details go to the CUConnections article available here [4].
