### NOTICE OF ADMINISTRATIVE POLICY STATEMENT (APS) UNDER REVIEW

The Office of Policy and Efficiency (OPE) has announced updates to [APS2022-Colorado Open Records Act \(CORA\)](#) <sup>[3]</sup>.

The University of Colorado is centralizing the process for receiving public records inquiries and requests pursuant to the Colorado Open Records Act (CORA), C.R.S. § 24-72-201, et seq.? Such requests will now be received via an online form which will route requests to the Director of Public Records Compliance and the appropriate campus records custodians who will respond to the submissions.

The revisions and cleanups to APS2022 will align the policy with the new centralized process and online request form. These revisions are effective February 1, 2026.
