Welcome to CUSP 2014! [1]

January 13, 2014 by normandy.roden [2]

The 2014 CU Shared Practices (CUSP) Program is now open for best practice submissions. The 2013 CUSP Program far exceeded expectations in number and quality of submissions … and in the subsequent sharing and re-purposing of ideas and innovative business processes. You can review previous successful CUSP ideas by visiting the website at www.cu.edu/controller/initiatives/cusp [3] - click on Past Submissions and search by category: Communications & Technology, Customer Service, Finance & Accounting, Procurement, or Sponsored Projects & Grants. And, after you've taken a look at the past, take a look at the present. Think about how you've made your department work better ... and share your good work through CUSP. Let's make this year's Program even better than last year's! Would you like to encourage submissions from your campus/department? Invite CUSP Program Coordinator Fran Chapman to speak at one of your faculty or staff meetings – please contact Frances.Chapman@cu.edu [4].
