

Introducing ... the new Annual Financial (e)Report ^[1]

February 4, 2014 by [normandy.rodén](#) ^[2]

In an effort to increase the transparency and accessibility of our financial reports, the 2013 Annual Financial Report has been produced as an HTML website. If you prefer the more traditional PDF format -- or if you need to provide a PDF to a granting agency -- please note that the PDF version of the Annual Report is also available on the annual financial reports webpage at www.cu.edu/controller/annualreport/ ^[3].

Benefits to the interactive HTML format include:

- Improved searchability and accessibility
- A more mobile and tablet-friendly design
- Elimination of printing costs
- Addition of color graphs
- Easier access to related notes and other information

We welcome questions and comments on both the content and the new format of the Annual Financial Report. Email Kristine.McNamara@cu.edu ^[4] (content) or Travis.Chillemi@cu.edu ^[5] (HTML format).

Special note to non-accountants

What do all of these numbers mean? Glad you asked! We will soon release an Addendum to the Annual Report to help make financial information more accessible to our constituents. Look for details in a future OUC News blog post.
