March 29, 2014 by normandy.roden [2]

This quarter, our Continuing Professional Education (CPE) offerings are proving more popular than ever. All 14 courses are filling rapidly. And little wonder: These courses are designed to help you deepen your knowledge of the Cognos Reporting System, get organized for fiscal year-end, understand the intricacies of accruals, expand your proficiency in PowerPoint and Word ... and more. CPE dates are April 10, April 15, and April 17. Course description/registration information is at https://www.cu.edu/controller/cpe/?page_id=1504 [3].
