Boulder OUC Town Halls Offer News and Feedback [1]

October 27, 2013 by normandy.roden [2]

Several Office of University Controller staff spent a day in Boulder on Oct 9 as part of the fall campus town halls. We outlined accomplishments related to technology and efficiency; provided updates on Fiscal Certification, CU Shared Practices (CUSP), PeopleSoft Finance, and Cognos Reporting; and discussed professional development opportunities available through our Continuing Professional Education (CPE) Program and training/support options provided by the Finance & Procurement Help Desk. Participant feedback forms showed especially high interest in Cognos m-Fin report developments. Good news: Cognos training is offered on campus every month - see www.colorado.edu/abs/training/training-m-fin-financial-statements [3].
