Cognos: Staying Up to Date [1]

March 9, 2012 by (not verified) [2]

And now, why not take a moment to revamp the way **you** get news about Cognos financial reports? Sign up for an RSS feed on Carl's reporting blog [3]. It's easy to do and it pays off every week with direct emails to your inbox whenever Carl blogs. You get just enough info in that email to help you decide if this post is relevant to you and you need to read the full post right away … or if it can wait till later. Oh yes – you also get some very fun pictures – like the "multiple project" 3-headed dragon, below:  Be sure to tell your report-minded colleagues about Carl's blog, too.
