# Controllers' Meeting Agenda: May 18, 2015 [1]

May 19, 2015 by normandy.roden [2]

The University and Campus Controllers meet on May 18 to discuss several topics:

- Sales tax compliance and University events with admission or registration fees
- National training award for OUC staff
- Implementation of Oracle Identity Manager
- Professional development In lieu of compensation

Most of the controllers' meeting agenda in May is devoted to hearing presentations by the CU Shared Practices (CUSP) Program semifinalists.

Questions on discussion points from this meeting – or any other Controllers' meeting – should be directed to the appropriate campus controller.
