Countdown: CU I&E Awards Deadline is February 28 [1]

February 26, 2018 by normandy.roden [2]

There's still time to tell us about the creative solutions you've implemented in your department!

The last day to submit your information to the CU Innovation & Efficiency (CU I&E) Awards Program is Wednesday, February 28. (Many of you have asked *What time is the deadline?* The answer is midnight.)

So take a few moments and let us know about what you -- or your colleagues -- have done to enhance business processes at CU. We're interested in hearing about:

- The perfect technology or tool that helped people work faster ...
- A training program that enabled people to perform their jobs better ...
- A redesigned task that saved CU money ...
- A change in communications that improved workflow or morale.

Your creative solution can put you on track to win $1,000 or more!

Speaking of improvements ... we've improved the submission form this year. It's short -- six questions! -- and easy to complete. Take a look and fill it out at www.cu.edu/controller/forms/2018-cu-innovation-efficiency-awards-form. [3]

We look forward to hearing from you!
