Here's a great opportunity (actually, two opportunities) to make 2020 a powerful new year: come to Continuing Professional Education (CPE) this month.

On Thursday, November 21, we're offering two NEW classes at 1800 Grant St, Denver:

- **Developing a Growth Mindset** (10:30am-12:20pm) - The future state of work will require individual contributors and leaders to continually reinvent their skills in order to remain relevant in an ever-changing world. The purpose of this course is to provide participants an opportunity to explore their mindsets and discover how challenging and changing a mindset can lead to transformation results in their personal and professional lives.
- **Exploring Leadership** (1:30pm-3:20pm) – How does your personal style benefit others ... and how does it get in the way? The purpose of this course is to provide an opportunity for participants to discover various ways to develop their leadership skills.

Course details and registrations are available on the [OUC website](#) ^[3]. (Register using your CU-affiliated email address -- not your personal email -- in order to avoid incurring a charge.)
