CPE Offers Total Learning Experiences across CU [1]

November 13, 2014 by normandy.roden [2]

In October and November, the OUC sponsored a number of learning opportunities through our Continuing Professional Education (CPE) courses – both at the CU System Offices on Grant Street and on the campuses.

Approximately 150 employees took advantage of no-cost professional development to learn more about audit procedures, fraud, red flags/identity theft, financial statements, budgeting, managing large databases, and other topics related to fulfilling their fiscal roles and responsibilities. They also expanded their personal horizons with courses on change facilitation, energy/work balance, motivation, and recognition.

The next round of CPE is scheduled for Thur, Dec 4, at Grant Street. Registration opens Mon, Nov 20 for the courses listed on our CPE website [3]. Questions? Contact CPE Program Manager Lisa Vallad at Lisa.Vallad@cu.edu [4].

We hope you'll join us!
