CU I&E Awards: Final Month for Submissions! [1]

February 9, 2018 by normandy.roden [2]

What have you done for CU lately?

Throughout the year, we hear about the creative solutions you bring to your jobs and your offices. **Now** is the time to tell the rest of CU about it.

The CU Innovation & Efficiency (CU I&E) Awards Program is all about what *you* do:

- It might be a better way to communicate ... or conduct training ... or manage a project.
- It might be the adoption of a new technology or tool to improve an old business process.
- It might be just the thing your colleagues are looking for.

(Oh yes -- and it might win you $1,500!)

Get on board and get your submission in:

- Watch our quick video [3].
- Read about program requirements [4] and processes [5].
- Fill out the short entry form [6] (only 6 questions).

We look forward to hearing from you!
