CU Innovation & Efficiency Awards Program: Open for Submissions [1]

February 1, 2021 by normandy.roden [2]

CU employees: We know you have good ideas that you put into practice every day. And your ideas save the University time, money, and hassles.

The CU Innovation & Efficiency (CU I&E) Awards Program is designed to recognize you: Tell us how you've re-engineered operations, enhanced communication, built employee engagement, improved customer service, or otherwise made CU work better. Your success story can inspire other employees to take a new look at their own procedures. You may even win a cash prize.

We're accepting submissions through April 30, 2021.

Here's how to participate:

- Watch our short video [3] and learn about program requirements [4].
- Then, fill out the submission form. [5]

Questions? Contact CU I&E Awards Program Manager Fran Chapman [6].
