

CU Innovation & Efficiency Awards: Share your Story! ^[1]

March 17, 2016 by [normandy.rodén](#) ^[2]

We're hearing some great success stories through the CU Innovation & Efficiency (CU I&E) Awards Program. Do **you** have one to share?

Your success in improving a CU business process could be worth a \$1,500 cash award! ^[3]

The CU I&E Awards Program ^[4] is a recognition program designed to highlight the creative processes of CU employees. The program asks you to share what you've done to do better work at CU. Have you streamlined procedures? Created efficiencies? Saved time or money? Tell us about it. Your success story may be repeated at other CU departments. Your success story may earn you a cash prize.

In the past month, we've heard from almost a dozen individuals about how they took a new look at old ways of doing business. We're posting their success stories online now.

This kind of ingenuity is displayed regularly by CU employees -- and we want to highlight it. So tell us what **you've** done.

Here's how you get going:

- Read about the program ^[4]
- Learn more about the vetting process ^[5]
- See what other employees have submitted in previous years ^[6]
- Then, send us your success story! ^[7]

Questions? Contact the CU I&E Awards Program Coordinator Fran Chapman ^[8].
