CU Innovation & Efficiency Awards: Yes, We're Impressed! [1]

January 30, 2020 by normandy.roden [2]

We're getting some terrific submissions to this year's CU Innovation & Efficiency (CU I&E) Awards Program!

We've heard from many of you who've done great work to improve your departments' business processes. Now, we're routing your submissions through the selection committee for review, and expect to post several of them on our website [3]shortly.

There's still a month to go!

Have you done something to make CU work better? Simplified a business process? Improved customer service? Saved your department time or money? Your innovation could help another department work better – and help *you* win a cash prize.

We're accepting submissions through February 29, 2020.

So -- join the innovative crowd! Tell us what you've done!

- Watch our short video [3] and learn about program requirements [4].
- Then, fill out the submission form. [5]

Got questions?

Contact our CU I&E Awards Program Manager Fran Chapman [6]. She's happy to answer your questions or visit your department and explain how our recognition program works.
