Elevate: FIN Upgrade - The Transition Begins [1]

December 4, 2015 by (not verified) [2]

We are now in the midst of our transition from FIN 8.4 to FIN 9.2. Please note:

- FIN 8.4 was shut down on the evening of Monday, December 3. You will not have access to the Finance System until FIN 9.2 go-live, on Thursday, December 10 (unless you are on an exclusion list for read-only access to FIN 8.4).
- You can access Cognos m-Fin reports and the CIW until 6 p.m. on Monday, December 7. (Cognos/CIW will then be unavailable until Thursday, December 10.)
- Updated journal entry spreadsheets for use in FIN 9.2 will be made available before go-live.

If you need training before FIN 9.2 goes live on December 10, training is still available:

- Catch up with these recorded webinars: FIN Overview [3] and Journal Entry [4]. Be sure to sign up at the end to receive credit for training!
- Browse our step-by-step guides, which cover not only journals, but also sponsored project work, billing and accounts receivable, PS Query, etc. You can access FIN 9.2 learning resources [5] on these and other activities.

We're working hard to provide a smooth transition to FIN 9.2. So we want you to know where to go for questions or issues:
