Elevate: FIN Upgrade - What to Expect with FIN 9.2 [1]

August 13, 2015 by normandy.roden [2]

The count-down clock on the Elevate-FIN website [3] tells us we're getting closer to our go-live date. So: what can you expect with the new Finance System in November?

What to Expect with FIN 9.2

The **What to Expect with FIN 9.2** [4]video is a short overview of the FIN 9.2 upgrade. The video's target audience is two-fold:

- Individuals who are interested in the impact of the FIN upgrade ... but are not necessarily heavy users of the Finance System, and,
- Individuals whose work life is directly affected because they are active Finance System users.

What to Expect with FIN 9.2 aims to set the stage and set expectations in a concise, realistic, and viewer-friendly way.

After you watch the video [4], let us know what you think! You can always post feedback and questions to the Elevate: FIN - Questions & Feedback page [5].

Training registration is open...and some sessions are filling up
