

February Webinars: Get Ready for Fluid Navigation in the Finance System ^[1]

February 2, 2021 by [normandy.roden](#) ^[2]

On Sunday, February 21, 2021, the Finance System (FIN) will be updated as part of an annual PeopleSoft maintenance cycle. With this update, we'll be implementing "Fluid" navigation -- which you see on display in the portal and HCM as all of those tiles.

Our Continuing Professional Education (CPE) webinar -- **Fluid Navigation in the Finance System** -- will help you get familiar with the look and function of the new tile-based user interface.

Join staff from the Office of University Controller (OUC) and University Information Services (UIS) to learn how to:

- Navigate the new finance, accounting, and grants home pages, using tiles and favorites
- Personalize your homepage
- Open and manage multiple windows
- Find FIN- and Grants-specific content

Course information and sign-up links are available now on our [CPE Schedule and Registration page](#). ^[3]
