FIN Attachments and Worklists: Working Again [1]

December 13, 2016 by normandy.roden [2]

As you are aware, issues with adding attachments and using the journal approval worklist have been causing users to be kicked out of the Finance System yesterday and today.

These issues have been resolved by UIS.

Thank you all for your patience while these problems were being investigated. And thank you to the UIS team members who worked hard on the necessary fixes.
