Get Updates, Get Answers -- at an OUC Town Hall [1]

September 17, 2018 by normandy.roden [2]

Get updates, get answers. If financial responsibilities are part of your job, come to an Office of University Controller (OUC) Town Hall this fall.

An OUC Town Hall is an opportunity for the System Controller's Office to share recent developments that impact your fiscal roles and responsibilities ... as well as an opportunity for you to ask questions about financial systems, reporting, policies, and procedures.

Information that helps you do your job

Staff from your campus controller's office will join us as we discuss:

- The OUC and You
- Tax Code Changes, Revisited
- Finance System and CU-Data
- Innovation News
- CU I&E Employee Recognition Awards
- Continuing Professional Education/Training Opportunities
