Great Employees Sharing Great Ideas [1]

February 16, 2015 by normandy.roden [2]

You've made your office work better. Now, help others do the same.

The 2015 CU Shared Practices (CUSP) Program is accepting submissions of best practices from across CU until April 30.

This is your chance to tell us about the efficiencies you've engineered and the good ideas you've put in action. Your colleagues want to hear what you've done. CUSP helps this happen.

Please visit the redesigned CUSP website [3] today.
