Great Minds Don't Think Alike [1]

April 3, 2014 by normandy.roden [2]

This week, we saw three new best practice submissions complete the vetting process -- and be honored with posting on the CU Shared Practices (CUSP) website: www.cu.edu/controller/initiatives/cusp [3]. Several more submissions are currently under review. Be a part of it! Share how *you* thought differently ... and how you turned those thoughts into actions to improve your department's business processes. We look forward to hearing from you at www.cu.edu/controller/initiatives/cusp/?page_id=30 [4].
