Have you improved a business process? Send your success story to the CU Innovation & Efficiency (CU I&E) Awards Program and you might win a \$1,500 cash award! <sup>[3]</sup>

The CU I&E Awards Program <sup>[4]</sup> -- previously known as the CU Shared Practices, or CUSP, Program -- is a recognition program designed to highlight the creative processes of CU employees.

Through the CU I&E Awards, you can share what you've done to work better, whether it's by creating efficiencies, saving time, or saving money. You can get recognition for accomplishments within your own department – and inspire other employees to take a new look at how their departments work.

Here's how you get going:

- Read about the program <sup>[4]</sup>
- Learn more about the vetting process <sup>[5]</sup>
- See what other employees have submitted in previous years <sup>[6]</sup>
- Then, send us your success story! <sup>[7]</sup>

Questions? Contact the CU I&E Awards Program Coordinator Fran Chapman <sup>[8]</sup>.
