How Can the OUC Help You Today? [1]

September 2, 2014 by normandy.roden [2]

Current services. New initiatives. These are among the ways that the OUC can help you with your fiscal responsibilities and personal/professional development.

So what do you need today? An immediate answer to a question on travel, reporting, purchasing, or payment? Instructions on how to use Cognos, CU Marketplace, or Concur? Advice on your fundraising event? Information about the pending PeopleSoft Finance System upgrade? Skills development related to motivation, change management, accounting, or Microsoft Office products?

You can learn more about OUC services and initiatives at a number of events this month. We're staffing what we call "awareness" tables at the three Procurement Service Center (PSC) on-campus Supplier Showcases [3], the Boulder Staff Council Ice Cream Social/Employee Resources Fair [4], and the Boulder Vice Chancellor for Research Faculty Fair [5]. (Follow the links for content and registration information.)

We hope to see you at one of these exciting events. Let us know how we can help!
