Looking for a System? Your Campus Portal Gets You There [1]

April 27, 2012 by (not verified) [2]

Want to access the PeopleSoft Finance System? Cognos Reporting? CU Marketplace? Concur Travel & Expense? PeopleSoft HRMS? … There's an easy way – and in some cases, just one way – to get there:

- Sign in to your campus portal using your desktop username and password.
- Then look for the link you want under the Business Applications section on the portal home page.

The campus portals are located at:

Boulder
