Want to access the PeopleSoft Finance System? Cognos Reporting? CU Marketplace? Concur Travel & Expense? PeopleSoft HRMS? ... There's an easy way – and in some cases, just one way – to get there:

- Sign in to your campus portal using your desktop username and password.
- Then look for the link you want under the Business Applications section on the portal home page.

The campus portals are located at:

### **Boulder**

### **Colorado Springs**

<https://portal.prod.cu.edu/MyUCCSFedAuthLogin.html> <sup>[4]</sup>

### **Denver**

<https://portal.prod.cu.edu/UCDAccessFedAuthLogin.html> <sup>[5]</sup>

### **System**

<https://portal.prod.cu.edu/SYSFedAuthLogin.html> <sup>[6]</sup> If you haven't already bookmarked your campus portal, please take a moment now to open it up and save it as a favorite.
