Month-End Financial Close - Recorded Webinar Now Available [1]

June 11, 2019 by normandy.roden [2]

We received great feedback on our recent live webinar, Month-End Financial Close! Thanks to everyone who wrote us about it.

And now -- you can refresh your memory or watch the webinar for the first time, on our Month-End Financial Close Resources page [3]. (It's also available via a link on the main CPE course page for this course [4].)

We've posted a recording of the webinar plus the handout and Q&As from the session -- all at your request.

This is a convenient way for you to get a basic understanding of the importance of month-end financial close, the tasks that need to be completed, and the deadlines that apply.
