

## **New CPE Course Helps You Improve Your Workplace** <sup>[1]</sup>

December 4, 2017 by [normandy.rodén](#) <sup>[2]</sup>

Who doesn't want to make their workplace a better place?

Now you can learn to do just that with our new Continuing Professional Education (CPE) course: [Micro-aggressions and Micro-affirmations: Awareness in the Workplace](#) <sup>[3]</sup>.

Micro-aggressions are everyday slights or insults that undermine the dignity of the target persons. In this course, you'll learn how to recognize the impacts of micro-aggressions in the workplace. You'll also pick up techniques for incorporating micro-affirmations -- small acts to communicate that all are seen and welcome -- into your daily work life.

Join us on **Tuesday morning, December 12, at the CU System Building (1800 Grant St., Denver).**
